# LENDARK

PTL5230-BRZ

Inspired by the ancient cairns of Scotland, Lendark features two organic stacked forms that embody balance and strength. The rugged asymmetry is grounded by an elegant plinth, a signature element in artist Chandler McLellan's work. Crafted with dark-stained mango wood and accented with bronze, Lendark seems to defy gravity as it translates an artistic vision into a functional piece of home decor. Pai of our Chandler McLellan collection.
