With playful proportions, a tactile material mix, Wharf balances functions and personality. The long, curving gooseneck is adjustable in any direction to create the perfect reading light, while the petite bell-shaped shade houses an MR16 bulb for precise illumination. Finished in Patina Brass, the metal base is partially wrapped in jute cord, adding texture and a subtle coastal nod.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
