# JANTZEN

P7115-TBK

Jantzen draws inspiration from classic lantern designs, reinterpreting a traditional caged form with distinct angled edges. The wavy water glass panels lend texture and movement, subtly elevating the design. Cream-colored candles add a bright note in contrast to the robust Textured Black finish of the frame. Available as a 2-light sconce and 2-light post, Jantzen modernizes heritage influences to create a timeless outdoor staple.
