NAIRN

PTL3425-PBR/CUB

Taking inspiration from the rugged Moray coast in Scotland, the Nairn table lamp is designed from a 3-D scan of a sculpture by Chandler McLellan. The asymmetric base stems from the artist's appreciation for natural stones that lean, sometimes impossibly, against each other. Playing with positive and negative space, a distinctive cut-out accents one form, creating a moment of drama within the balanced composition. The oblong shapes are complemented by a natural wicker shade and French wiring. Part of our Chandler McLellan collection.
